## Regulatory News

### EPA's Toxic Release Inventory (TRI) Reporting due July 1

The United States Environmental Protection Agency (USEPA) utilizes an electronic reporting system called 'TRI - MEweb' for submission of Toxic Release Inventory data. You can find some useful information on this at [TRI Reporting Options](#).

---

### MA Toxics Use Reports due July 1

The MassDEP utilizes an electronic reporting system called 'eDEP' for submission of Toxics Use Reduction data. More details can be found at [MassDEP TURA Reporting](#).

---

### UST Operator Regulations Go into Effect on August 8th

As noted in last month's e-mail, the new regulation provides for three classes of operators, A, B and C. In addition to site-specific training, Class A and B operators will be required to pass an examination before the August 8th deadline!

To help you prepare for this exam, Tighe & Bond is planning a training session in Westfield on July 26. Also, Tighe & Bond now has five Class A/B Operators for Underground Storage Tank (UST) operation in Massachusetts. Our Operators are geographically situated to serve clients in both eastern and western MA. They can serve as your facility's Class A/B operators, as well as provide on-site Class C operator training. [Click here to read more](#).

---

### Breaking News: Changes to UST Operator Exam Scoring

The Department of Environmental Protection (MassDEP) has made two changes to the Class A, B, and A/B Operator Certification Exams that impact scoring protocol and exam questions. [Click here to read more](#).
