# 2024 Conference Center Training: Course Information

## Safety

### **OSHA Basics and Beyond<sup>1,2,3,4</sup>**

Review a variety of OSHA standards that are relevant to most every organization, including: manufacturing, water and wastewater treatment facilities, Department of Public Works, healthcare, educational facilities. Standards covered will include: Hazard Communication, Personal Protective Equipment, Lockout/Tagout, Confined Space, Walking Working Surfaces, Ladders, Fall Protection, and more. **Updated OSHA Top 10!**

### **DOT Hazardous Waste Shipping<sup>1,3,4</sup>**

This course is designed to meet the training requirements for DOT hazardous material shippers. This class is intended for personnel assigned to manage hazardous waste who are designated to sign hazardous waste manifests.

### **RCRA Hazardous Waste Management<sup>1,3,4</sup>**

This two (2) hour course is designed to meet the annual EPA hazardous waste training requirements for generators of hazardous waste. This class is intended for personnel assigned to manage hazardous waste.

## Technical

### **Environmental Compliance Strategies<sup>1,2</sup>**

Overview of a wide range of environmental compliance programs & strategies for maintaining compliance. **PFAS Update.**

### **Spring Wastewater Treatment Plant Operators Exam Prep<sup>1</sup>**

This five-week course is designed for examination preparation. It is an ideal opportunity for prospective wastewater treatment plant operators and current wastewater treatment plant operators looking to upgrade their licenses or obtain TCHs.

### **Treatment Plant Equipment<sup>1</sup>**

This four (4) hour course will provide a general overview of typical wastewater treatment systems that are found in municipal treatment plants as well as in industry. Special consideration will be given to troubleshooting and problem solving associated with treatment systems. Real life examples will be provided.

#### **Training Contact Hours (TCH)**

- |   |  |
|---|--|
| 1 MA Wastewater Treatment Plant Operators | 3 Association for Facilities Engineering |
| 2 MA Water Treatment Operators            | 4 Board of Registered Sanitarians        |

Credit Cards will be accepted the day of training
